

## TV-ON-MOBILE

Doordarshan has started Digital Terrestrial Transmission – DVB-T2 Services in Kolkata. Under this service, 5 Doordarshan channels namely DD-National, DD-News, DD-Bharati, DD-Sports and DD-Bangla Channels are available.

These programmes can be viewed on all Android enabled Smart-Phones while travelling anywhere in and around Kolkata city. **To utilise this service, neither you have to pay any charges nor require any Internet or Wi-Fi facility.** These channels can be viewed immediately without any interruption. All you have to do is purchase a DVB-T2 Dongle and download the app (TV-On-Go) from Play Store which is free on your Android enabled Smart-Phone.

These Dongles are available on e-portals. You can watch the ongoing Olympic Games at RIO, BRAZIL while you are travelling, on DD-National on your Android Mobile with the above mentioned Dongle.

An advertisement for 'TV-On-Go Doordarshan India'. At the top left, there are two logos: 'TV-ONGO DVB-T2' and 'DIGI DVB-T2'. The main text reads 'TV-On-Go Doordarshan India' and 'DIGI-DARSHAN INDIA Entertainment'. Below this, there are three images: 1) A smartphone displaying the app interface with a 'No internet required' badge, labeled 'DVB-T2 Dongle for Android Devices'. 2) A tablet displaying a sports scene with a 'No internet required' badge, labeled 'DVB-T2 Dongle for Apple Devices'. 3) A black rectangular device labeled 'DVB-T2 Wi-Fi Receivers for any WIFI enabled Devices'. There are also icons for 'Available on the App Store' and 'DVB-T2'.

Please remember, this facility is right now available only in & around Kolkata city. You can also view all these channels with a DVB-T2 enabled Set-Top-Box on normal TV and DVB-T2 chipset enabled TV Set (ID-TV). This type of TV Set is already available in the market.
